\$87,800 Project Will Convert Mission Park School To Provincial Rec. Building

St. Albert's old Mission Park school will undergo extensive renovations costing an estimated \$87,800 to convert the building for use as an administration centre for Recreation Associations of the Province.

Making the announcement Friday, MLA Ernie Jamison said he was "extremely pleased" that after about a year of planning and negotiation with Horst Schmid, minister of culture, youth and recreation, and Winston Backus, minister of public works, and members of the Sturgeon School Division #24 agreement had been reached and funds allocated by the province for the project. When remodelling is com-

pleted, the building will house the 'Sports Alberta' division of the province's recreation department, which comprises some 55 areas of activity.

Work will get underway in January under the provincial winter works PEP program, supervised by the department of Public Works. Carpenters, electricians, tradesmen and laborers will be required and local people interested in work on the project should telephone A. B. Potvin at 229-3145. Preference will be given to local men out of work during the winter.

Glen Gray, well-known curler and golfer, who is executive director of Sports

Alberta, will be in charge of the new centre in St. Albert.

The Mission Park school, under the jurisdiction of the Sturgeon School Division, has been empty since September 1971. Negotiations were finalized Thursday through Chairman John McDonnell and Secretary Charles Krauskopf on sale of the building and the 92 acres of land owned by the division.

The school had accommodated rural students who are now in the new Sturgeon Heights School about three miles northwest of St. Albert on the Villeneuve Road. The province paid the Division \$2,000 for the property and Minister Backus estimates a further \$87,800 will be required to convert the building to its new use.

"The project is in line with the governments policy of diversifying provincial agencies more evenly through the province," said Mr. Jamison, "and I was delighted that the two ministers involved agreed that St. Albert is a logical centre for this branch of provincial recreation."

Both departments are of the opinion that the new centre will find a responsive and enthusiastic environment in St. Albert, where a goodly number of local residents contribute most significantly to the town's well co-ordinated recreation department.

The joint use of facilities program which has worked efficiently and economically in St. Albert for many years, and the concept of encourag-

Sturgeon General Hospital people were mighty proud of this beautiful wee girl who was their New Year's baby. Born at 7:45 p.m. New Year's Day, she is the daughter of Mr. and Mrs. Bernard Van Zutphen of 13 Flagstone Crescent.

Two Questionnaires On By-Election Ballot

Council last night agreed to circulate to the ratepayers of St. Albert, prior to the forthcoming by-election, a comprehensive bulletin, outlining a Legislative Committee report on a proposed subsidy for improved public transportation for residents of St. Albert.

The Committee felt that the fundamental question was whether or not taxpayers wished to subsidize a transit system, to what extent and whether they would favor a subsidy to a privately-controlled system.

The extent of the subsidy, according to the report, would be for one mill; one and one-half mill or for two mills.

Councillor deBruijn felt the questionnaire was too vague in its outline and recommended that the amounts be spelled out in terms of dollars. Councillor deBruijn pointed out that many people are not familiar with what a mill is all about and cannot translate that in dollars and cents. Therefore Cr. John deBruijn said, the amount of this increase to the average taxpayer should be put in brackets along with the mill figure. That way, Councillor deBruijn explained, the average taxpayer will readily see that a mill means about \$8 to \$16 dollars and a mill on the whole of St. Albert represents between \$27,000 to \$28,000. This

amendment to the questionnaire was approved.

A second questionnaire, pertaining to snowmobiles, may possibly appear on by-election day January 31, in an effort to get public opinion on this vital issue.

Following defeat of proposed by-law 61/72 on a 3-3 tie vote (to rescind the town's present snowmobile by-law), a motion by Councillor Frank Lukay, prompted by Councillor John Baker was passed that a questionnaire be prepared, asking the residents of St. Albert whether they favor snowmobile traffic within the town. The motion was carried 5-1 with Mayor Gibbon casting the negative vote.

At the Tuesday night

meeting (Jan. 2) a number of concerned snowmobile operators read a prepared brief, asking council not to rescind the present by-law. The brief outlined a number of alternatives including a major point that an association would be formed for the purpose of helping maintain the progressive legislation they now enjoy. The group pledges to make available and install, at no cost to the town, signs showing posted speed limits for the Sturgeon River area.

They suggested 20 miles per hour for the river and 10 miles per hour for the roads would be realistic.

Council agreed to meet with the proposed association.

Does Hunting Have A Future?

The St. Albert Fish and Game Association will have a chance to discuss this controversial question with the man most likely to have the answers at their meeting next Tuesday evening, Jan. 9th.

Gordon Kerr, director of Fish and Wildlife for Alberta will be the guest of the Association.

Gordon will be talking about the future of hunting in Alberta, paid hunting, and some other ideas, along with

policies, on which he would like to get the reaction of sportsmen.

For anyone interested in finding out about wildlife management in Alberta, this meeting will be an ideal opportunity to ask questions of the person who makes the decisions.

Mr. Kerr, who has been the guest of the Fish and Game here on previous occasions, was at one time the Chief Wildlife Biologist for Alberta. It was largely through his efforts that the decision was made to cancel the pheasant shooting season when mercury poisoning was detected in the province's pheasant population a few years ago.

For your chance to talk hunting with Gordon Kerr, be at the St. Albert Community Hall at 8 p.m. next Tuesday. He will be looking for your ideas, arguments and questions.

Lacrosse Is Coming To St. Albert

An interim committee for the promotion of Lacrosse for St. Albert has been actively engaged in groundwork organization. The St. Albert Council of the Knights of Columbus has agreed from the outset to sponsor this sport for the young fellows of St. Albert. Bernie Levasseur is chairman and Don Anderson, deputy chairman.

If satisfactory arrangements can be made with town council for the use of the Arena, the committee is hopeful that practices can start in April.

The first general public meeting will be held on Jan. 15th at Father Jan School, beginning at 7:30 p.m. All boys 8 years and up, who

are interested in playing Canada's National Game are asked to attend.

The committee also urges all people who wish to referee, coach, or become involved in some capacity to come out to this meeting.

There will be films, demonstrations and names will be recorded to assist in setting up clinics for players, coaches and referees in preparation for this spring season.

A question and answer period will be included for the benefit of people not familiar with the game. If any advance information is desired before the 15th, residents may telephone Don Anderson at 599-8342 or Bernie Levasseur at 599-2871.

Alberta Oiler centre Ed Joyal (16) and the fabulous Wainpelt Jet Bobby Hall have their eyes on the puck in World Hockey Association action in the Gardens Monday night. Joyal's two goals helped the Oilers defeat the Jets 7-3.

Photo by Frank Smith.

Conservative Meeting Sunday

The St. Albert Progressive Conservative Association, headed by Bob Lema, president, will hold their annual meeting this Sunday, January 7th, at the St. Albert Community Hall, beginning at 2 p.m. The public is invited to attend.

Election of officers for the 1973 year will be held and delegates will be chosen for the Provincial Convention, being held this year in Calgary on January 19-21.

PSS Meetings Open To Public

Starting immediately, the Preventive Social Services Board invites all interested St. Albert citizens to attend regular meetings. These meetings are held on the third Thursday of each month at 7:30 in the Council Chamber.

The decision to open meetings to the public was made after careful deliberation as to the effect the move would have on free and open

discussion among Board members. The benefits of the public having access to the decision making process far outweighed any disadvantages, said Board members and the motion to have open meetings was passed. The Preventive Social Services Board hopes that residents of St. Albert will take advantage of the opportunity to observe this body in action.

New Provincial Building

ing as many townspeople as possible involved in recreation, which is supported by town council and its recreation co-ordinator, Renee Laird, make St. Albert a natural choice for the centre, Mr. Jamison said.

The Hon. Horst Schmidt, who is a keen booster of sport programs, is equally enthusiastic about other forms of recreation and most impressed with St. Albert's Arts and Crafts Centre, its support of choirs and bands and amateur theatre.

The centre will be setting up training programs for

Questionnaires

tion at the next Committee Meeting. Councillor Rod Thordson hoped the new group would be able to come up with ideas and information which will assist council in preparing an informative bulletin in time for the coming by-election. Administrator Dan O'Connell said that information bulletins on both bus and snowmobile proposals could be produced and circulated to every St. Albert ratepayer within two weeks.

sport directors throughout the province as part of its function. Another reason for the choice of location was the fact that additional land could be made available for expansion at a later date. "I feel certain that the new centre of St. Albert will be of a substantial benefit to the town," MLA Jamison concluded.

Bobby Hull seen here signing Mitchell Smith's program, after the sell out game between the Oilers and the Winnipeg Jets. The "Golden Jet" stood signing his autograph till close to midnight, when everybody waiting had one. Photo by Frank Smith.

To obtain a place on the Agenda of a Preventive Social Services Board meeting call or write Ron Gance chairman, 3 Gilmore Cres. 599-8396, or Mona Acker, director, Town Hall, 599-6601.

"If you were to lose your husband," the insurance salesman asked the young housewife, "what would you get?"
She thought a moment, then answered: "A parakeet."

Candidates Announce Decision To Run For Council

Editor's Note

A brief background on the four candidates who have made known to The Gazette that they will seek office in the January 31st by-election for a vacancy on Town Council is carried below. The deadline for filing nominations was 12 noon today, which comes after the Gazette's printing deadline. Details on all candidates for both Council and School Boards will be carried next week. All candidates will be invited to state their points of view in each of the three editions prior to the election, and will be offered space to do so as a Gazette public service, in the hope that all residents will take interest in town and school board candidates and will turn out in large numbers on voting day.

Myrna Fyfe

Mrs. Fyfe was not available for an interview this week, being in bed with a high fever. She will be seeking office in the forthcoming by-election to fill a vacancy on Town Council, and the attention of readers is drawn to a "letter to the editor" in this issue which gives a brief background on Myrna.

Roger Gariepy

While this is my first time to run for office, I have taken considerable interest in town and school affairs throughout my eight years in St. Albert, said Mr. Gariepy - "and particularly in municipal government, which I have followed closely."

He has also been very active in the Lions Club and served as chairman of the Little League Baseball program last year. Roger is a Laboratory Technician with Sherritt Gordon Mines in Fort Saskatchewan. "I would work for the realistic development of the town, within desirable limits and for the preservation of the good things of life in St. Albert. The job of a councillor should also include careful attention to all groups and segments making up our St. Albert society," he concluded.

Mr. Gariepy is 49, married and has eight children. He is fully bilingual.

Andy Kampen

Andy Kampen announced last week that he will be a candidate in the forthcoming by-election to fill a vacancy on the Town Council.

Mr. Kampen has taken an active interest in town affairs and organizations over the 14 years he has lived in St. Albert. He has served on the board of directors of the St. Albert Community League for eight years, is a member of the St. Albert Branch of the Royal Canadian Legion and coaches in the minor hockey program.

Andy has considered running for council in previous elections, and feels that the views of the average working man in the town should be heard. "I also think that the people of Mission Park and Lacombe Park need a representative, and that the Ridgewood Terrace people feel somewhat left out of town affairs and need a stronger voice," said Mr. Kampen.

"I am prepared to work at it and I am a firm believer that 'petty politics' has no place in the council chambers," he declared.

Mr. Weeks is 43, married and has two children aged 12 and 10.

Allan Weeks

"I chose to run in this election because I am concerned about the direction that the affairs of this town are taking," said Mr. Weeks. "Since this is MY town, OUR town, I want to get involved. Town planning, or the lack thereof, the river and lack of control of skidoos, and the preventive social service activities are my prime concerns."

Allan was born 46 years ago in Toronto. He served in the RCAF in the war, joined the Army in 1948 and was retired as a Captain in 1969. Since that time he has been employed as Training Officer at University Hospital in Edmonton. His duties include management training and orientation of new staff.

Mr. Weeks is married, with four grown up children. After serving with the forces across Canada and in Europe, he chose St. Albert as the place to establish his home. Three years ago he bought and built his own home at 53 Sturgeon Road.

Air Cadets Finish Year in Great Style

The year end activities wound up in fine style for the St. Albert Air Cadets. The traditional Yuletide party was thoroughly enjoyed by all the cadets and the squadron staff.

The Cadets particularly enjoyed the custom of being served by the Officers who were required to ensure that all the Cadets received their fill of the good things of life.

One of the most frequent calls was for "Aircraftman 2nd class Gault," who is normally Captain Les Gault, Commanding Officer of the Squadron. It is tradition in the services that the Commanding Officer change places with the newest recruit. In this instance the lot fell to Richard Duncan who traded uniforms and received the royal treatment.

The evening activities had another major highlight in the ever popular Kangaroo Court where the Cadets took over and "tried" their favorite offenders such as the Commanding Officer, Drill Sergeant, Instructors and Senior NCOs.

A new semester of activities will commence this week and there are many additional tours and exercises planned. Boys and girls 13 - 18 are encouraged to join this month to be eligible to compete for summer camp.

Woman For Council

The Editor:

In my travels around St. Albert over the last few years, many ladies have asked me why we do not have a representative on council. I am pleased to say we do have one running for the seat on January 31st and I hope you will all prove your interest in electing a lady to council, by urging your friends and neighbors out to vote. Some of our past elections have reflected a great deal of apathy in the town, let me not have those low percentages this next time.

Mrs. Myrna Fyfe has made the decision to run after much urging by friends, associates, and her family. I am sure you will realize it is not an easy decision to make, but knowing her as I do, she will work very hard if she is elected, as they

always done for the town over the past six years.

If you do not know her, you may know of some of her accomplishments. She is president of the St. Albert Help Society. This group was responsible for getting the homemakers service and mothers day out off the ground for us. It took a couple of years research and work before this came about and has proven a valuable service for many of our residents. I know Mrs. Fyfe to be a very capable, far seeing, and efficient person, she doesn't pretend to know all the answers but I do assure you she will do her best for you. So do please . . . Vote on January 31st . . . and show people who care that you care . . .

June A. Leggett.

Unreasonable Taxes

The Editor:

I would like to applaud those who expressed their feelings via The Gazette about the recent supplementary tax in St. Albert. Too often this sort of levy is accepted unquestionably. Taxes are something we all must pay but unreasonable and discriminatory taxes should not go unnoticed. Especially two assessments in six months.

The responsibility lies with the provincial government for allowing this type of legislation and with the Town of St. Albert for deciding to levy this tax. It would seem that neither party has the interests of the electorate in mind. Are any members of the town council subject to this tax, especially those who voted in favour?

I feel some sort of explanation is in order. How often when we are homeown-

ers run short of money can we dig into someone else's pockets for more? Hopefully we budget according to our income. Does town council?

At the present time my wife and I are living in Grandin Village. Initially we decided to buy here because the cost was lower than a single dwelling elsewhere in St. Albert. Little did we know!

If the town of St. Albert is interested in attracting new homeowners they are certainly going about it the wrong way. Personally I will discourage prospective clients from buying in St. Albert unless they have a nice fat bank account.

J. Mitchell (Jr.)

Hubby to wife: "How do you expect me to remember your age, dear, when you never look any older?"

New Regulations At The Library

MEMBERSHIP:

Membership in the St. Albert Public Library is free to all. Anyone may obtain a membership card which is necessary for identification purposes by registering at the library and showing suitable identification whereupon a membership card will be issued to him. This card must be shown in order to borrow books. Every borrower must have a library card.

BORROWING BOOKS:

A member of the library may borrow any number of

books for a three week period upon presentation of his library card.

RENEWING BOOKS:

Books may be kept for longer than three weeks by requesting that they be renewed for an additional three weeks at the library. Books on demand may not be renewed.

RESERVES:

A reservation may be placed on any book that is not immediately available at the library and that book will be held for that borrower.

REQUESTS:

nearby municipalities. Since the cost of property taxes is a factor in choosing a location, accurate disclosure is expected.

Of course, cost becomes less important if a better quality of life is the result. It is therefore most important that the public desires and needs be placed in their proper perspective when public funds are spent. Since 55 per cent of the 1972 tax levy has been allocated to education this appears to be one area where funds could be spent less freely. Does it not seem as important to ensure that children can safely cross St. Albert Trail? Why haven't crosswalks been more adequately lighted or overpasses constructed?

Members of Town Council therefore, should be reminded that the point can be reached where any advantage to living in St. Albert is outweighed by its cost.

J. R. Friesen.

Requests for materials not in the library's collection are welcomed. Such materials may then be loaned from another library for that borrower or purchased for the collection. If the library does not have it, it can get it for you.

FINES:

Fines for overdue books are calculated at two cents per day per book up to a maximum of \$1 for children's books and five cents per day per book to a maximum of \$2 for adults' and young adults' books. Overdue notices are sent by the Library as a courtesy to borrowers at weekly intervals. After two notices and a telephone call the Library will collect the book from the borrower for which the borrower will be fined an additional dollar.

LOST BOOKS:

Any borrower losing library materials will be billed the replacement cost of the item or items regardless of the condition of the lost item or items.

BON FIRE

On Jan. 6th from 1 p.m. to 4 p.m. and Jan. 7th from 10 a.m. to 4 p.m. for a small charitable donation we are coming to take your Christmas Trees off your hands. The Bon Fire is to be held on the vacant lot by the river across from the Seven to Eleven store. If we don't make it bring your tree down.

THANK YOU,

St. Albert Councillors Comment On The 1972 Year

During the past year, Town Council has dealt with many items of business which had or will have effects in varying degrees on the residents of St. Albert. In view of this The Gazette interviewed all six members of council and asked the following question:

"What, in your opinion, was the item of Council business dealt with during 1972 which either gave you the greatest sense of satisfaction or disappointment?"

Here are their answers:

MAYOR RAY GIBBON --
"I'm very proud of the fact that we have been able to keep the St. Albert mill rate below that of Edmonton. Another accomplishment I feel is of the utmost significance is our close relationship with the Canadian Federation of Mayors and Municipalities, an influential body which will serve to gain great things for St. Albert by being able to reach both higher levels of government." (Mayor Gibbon is a member of the CFPM Board of Directors).

TRAFFIC LIGHTS FRUSTRATIONS

"So much for the good things we've accomplished in the past year," said Mayor Gibbon, "now I'd like to tell you what was the most disappointing item of business we dealt with last year and that has to be the three sets of control lights we ordered many months ago." The mayor said that he was very annoyed with the way the whole issue was dealt with but he was quick to explain that he does not blame town staff. "We have done everything we could to expedite those lights into operation," he said, "and now that the December 23 deadline is passed, we were informed that the next date to look forward to is January 15 or later."

Mayor Gibbon personally had Town Engineer Jan Mandag phone Edmonton Power last week and found out that "we are now waiting for the delivery of three sets of 'Dahl Poles' these being the upright poles and crossbars designed to hold up the traffic lights." Mayor Gibbon said that Edmonton Power promised that the three sets of dahl poles should arrive Jan. 15 and the lights should be in operation soon afterward.

He concluded by saying that Council will probably go about it in an entirely different way when other

traffic lights are required. When asked for an opinion on the Supplementary Tax Assessment issue Mayor Gibbon said that the legislation itself was good in some aspects but could see where amendments will have to be made. These changes in the present act, according to Mayor Gibbon, should be in the area of minor improvements, he also doesn't agree with the retroactive aspect of the whole deal and objects to the initial eight per cent penalty.

Mayor Gibbon concluded by saying that in his view, 1973 would be a banner year for St. Albert.

COUNCILLOR JOHN DEBRUIN --

"Two outstanding developments during 1972 give me a great deal of personal satisfaction and a great sense of accomplishment," Mr. deBruijn said, "the first is the closer rapport we have developed with the Municipal Board of Sturgeon. The other is the development of BACM repair and storage complex and the construction of the St. Albert Motor Inn Ltd."

In the first instance, Mr. deBruijn explained that the several meetings St. Albert Town Council had with the MD of Sturgeon about a "rapport" which will go a long way towards progress in both municipalities. Regarding the development of BACM's complex as well as a new hotel, this in itself brings to St. Albert, two businesses which will immediately boost our town's assessment considerably as well as create a local payroll for about 150 workers.

COUNCILLOR BOB HUDSON --

"I'm all in favor of seeing St. Albert grow and against the 'Stop-Growth' concept," Mr. Hudson said but I can't, for the life of me, understand why it's taking so long to get our new sewage system going. We should be calling tenders right now, but so far as I can estimate it, we're about six months from there."

Councillor Hudson said he wasn't too impressed with the way Council approached the new sewage project but added that in his opinion, going for the \$3.7 million sewage was a positive move despite all the time it is taking before becoming reality. Mr. Hudson does not blame town staff but deplores the bureaucratic lethargy council has encountered all the way.

Regarding the Supplementary Assessment by-law, Councillor Hudson said, "that was an unpleasant piece of business to deal with but a positive and very essential one."

COUNCILLOR ROD THORNDON --

"In my opinion, the work we have already done toward implementing the new \$3.7 million sewage line and fac-

ility was the one piece of business we did which I find very rewarding," he said. "I firmly believe," he added, "that this project will contribute great benefits to St. Albert . . . but at the moment, I'm not sure whether this facility will enhance or sterilize growth in St. Albert . . . time will tell."

COUNCILLOR JOHN BAKKER --

"The Supplementary Assessment by-law is a good by-law," Councillor Bakker said, "but it could stand minor improvements." These improvements to the legislation, according to Mr. Bakker would include cancellation of the eight per cent penalty on the unpaid balance dated Dec. 31, 1972; qualifying minor assessable improvements where in some cases the tax was less than what it cost council to collect. Another area which should be modified is in the case where a homeowner has to pay the supplementary assessment tax out of pocket (and not through the mortgage company). "In such cases," Councillor Bakker said, "Homeowners ought to have at least six months time in which to pay this unexpected amount."

"Our major piece of business," Councillor Bakker said, "was of course the groundwork done towards our new \$3.7 million sewage system." Councillor Bakker also said that he was looking forward to Council getting a companion project on the way for additional water supply for St. Albert."

EARLY BUDGET

"My most satisfying personal victory during 1972," Councillor Bakker said, "was getting town staff to have a rough draft of the forthcoming budget ready in December rather than later in the following year."

"And of course," Councillor Bakker concluded, "my greatest personal failure during 1972 was being unable to have snow rebates banned in St. Albert, but one can't win them all," he admitted philosophically.

COUNCILLOR FRANK LUKAY --

Early in 1972 the Town of St. Albert was in the most enviable position of any community within the Province of Alberta. The Town was in an ideal position to control the future of this community and well set in providing services to the people of St. Albert. However, through unwise and illogical legislation, the town has lost much of the favorable ground.

Through one bit of unwise legislation, council agreed to make application to the Local Authority Board for the annexation of the BACM property to the north west of St. Albert on the request of BACM. And with the very wise decision (?) of the Local Authority Board, BACM were able to get their large tract of land annexed to the Town of St. Albert. This move of course gives the town that stature of greatness - rapid expansion -

a per capita growth unsurpassed anywhere in the province. These statements I make with irony, not because such growth should be timely. It should be permitted at a time when all the related problems are realized and can be contended with.

Through further unwise legislation, too much development has permitted extensive residential development, by signing several development agreements within the town limits and in the newly annexed BACM property.

These decisions of council were made even though the town was and is experiencing difficulty in coping with the problem of sewage disposal, land fill sites for garbage disposal and with water supply. As a matter of fact, it is my opinion that the town is facing a drastic water shortage problem. As to other basic services such as public protection (fire and police), public transportation, and freeways and bridges that will be required as a result of this extensive growth, the town has not even started to consider these seriously. Above all this, our former planner Mr. Woodroffe, some time prior to leaving, had made two excellent recommendations:

1. That the town stop development until the problem of sewage and water is fully resolved. 2. That the town is in need of an Outline Plan which will take

up to two years to prepare. Yet, in the light of all this, the town has and is allowing further development.

A BAD BY-LAW

A very bad piece of legislation was the recent passing of a By-law for the borrowing of \$3.75 million for the construction of the sewer line to the North Saskatchewan River and a sewage lagoon at the river. Council chose to pass this by-law without advertising it in the paper as council normally does for all other money by-laws. The Municipal Act does provide for council to force through borrowings for purposes of extending existing utility services without having to advertise for public objection (through petition and then referendum). It is my feeling that in this instance borrowing of \$3.75 million by the town (the largest such undertaking yet), the town was unwise to hide behind an interpretation of the Municipal Act. Also I feel that the Local Authorities Board was wrong in suggesting this to the town council, considering that only a few weeks earlier the same Local Authorities Board informed the town that the town was in no position to undertake such borrowing.

In order that the \$3.75 million sewer system be operable, we need water! If the \$3.75 million sewer system gets constructed, the town then will have a very excellent reason for forcing through, without advertise-

ing, a borrowing by-law of about equal magnitude for the provision of water services.

Obviously such growth as we are experiencing will make it necessary to borrow under similar conditions for all other basic services in the municipality.

Was 1972 a year of good legislation in the Town of St. Albert?

"For the developer - Yes. For the people of St. Albert - No!"

Certainly there were other legislation that I should mention, legislation to which I take a positive view, but I'm sure that you are well aware of these. One that I was pleased with is the decision to install signal lights on the highway. Just like you, I'm anxiously waiting to see these lights strung up.

I do wish to thank the St. Albert Gazette for giving me this opportunity to review some of council affairs of 1972 and my concerns for the town. Should you feel that I'm overly concerned about some of the situations that I have mentioned, please let me know. If, on the other hand, you feel like I do, then perhaps it would be a good idea that you let the other council members know how you feel.

For 1973, I'm forecasting a better year as far as legislation is concerned, and now along with my wife, Louise, and my three children, I wish you all a Happy and Prosperous New Year.

Comets Lose 2nd Game Of Season

After six straight wins the St. Albert Willowbrook Comets were upset 4 - 2 last Friday by second place Sherwood Park Barons. Comets are in first place in the eight team Edmonton Central Hockey League with 21 points on 16 wins, two losses and a tie. Baron's win moved them into second place with 16 points, two more than Westlock Eagles. Barrhead Sabres hold down fourth place.

Comets opened the scoring early in the first period on Henry Hodgson's 15th goal of the season with Ted Rogers and Rick Perrault assisting. Comets controlled the play until the final five minutes of the period when the Barons struck for three goals in four minutes for a 3 - 1 lead.

Len Fenton, Bob Berg and John Gallimore were the Baron marksmen.

Comets scored the only

goal of the middle period on a shot by hard-working Wally Monson. Brian Stevens and Dale Ripple drew the assists. It appeared as though the Comets would tie the score at any moment, but excellent goaltending by Baron netminder Lionel Jones kept them off the scoresheet. Barons Fred McKenzie scored the insurance goal midway through the third period to give Sherwood Park their seventh win of the season.

Comets next league game will be this Friday when they travel to Leduc for a game with the Oilers. Comets have a win and a tie with Leduc and will be trying hard to win another.

St. Albert plays a total of seven games in January, five at home.

Now that the football season has passed, the Comets would appreciate support and fans will like their exciting style of play.

Commercial League Underway Again

After a two week layoff over the holidays the St. Albert Mens League gets underway again with Premier Esso taking on Belcourt Power Kegs tonight at 8:30 p.m. Premier are in fourth spot in the six-team league while the Power Kegs are in the basement

with only one win in seven starts. St. Albert Grandin-Roger's Esso are in top spot each having lost only one game.

Thursday night's action has fifth place Kinsmen Warlords against Grandin Gulf who hold down third spot.

Bruins Drop Exhibition Contests

The St. Albert Bruin Inn Bruins are in a bit of a slump lately, dropping their last two league contests plus two exhibition games last week.

On Friday, Dec. 22 Stony Plain Flyers junior club came into town and handed the Bruins a 7 - 5 defeat. Bruins led early in the game but lost it in the third period with some sloppy defensive play and some questionable goaltending.

Last Saturday the Bruins travelled to Camrose and

lost the game in the second period when Camrose rapped in four goals.

Dave Leubech scored twice for the Bruins with Jim McComb getting the other in their 5 - 3 loss. Coach Rick LeLacheur was forced to bring up three midgets from the Sportshop Barons to fill open spots when regulars Jan Kristensen, Greg McRae, Dave Lockhart and Kelly McAvoy decided to go skiing. Doug Ferguson was home with the flu and Greg Hatch was out of town.

The midgets, Bob Wallis,

Jim Hole and Terry Kleser played very well and LeLacheur would like to keep at least two with the team for the remainder of the season. He will get some static from Baron coach Ted Lotocki though, as his club is battling for first place in their own league.

Bruins next league action will be next Tuesday when the North Side Comets drop in for a game, starting at 7:30 p.m. Bruins are only a couple of points ahead of the fourth place Comets.

Alberta Oilers starry centre Eddie Joyal (16) fired in two goals Monday night to help shoot down Bobby Hull and the Winnipeg Jets. Joyal is shown above getting his second goal and his seventh of the season, past Jet netminder Ernie Wakely. Joyal appears to be coming on in recent games following his jaw injury. Photo by Frank Smith.

Morinville & Calahoo Share Top Spot In Sturgeon League

With one third of the eight team Sturgeon Valley Senior hockey league play completed, Morinville and Calahoo have identical records of six wins and one loss. Calahoo lost their opening game to Legal and have a six-game winning streak going. Morinville's only loss was to Calahoo in the fourth game of the 21 game schedule.

Last Friday's action in Morinville arena saw Calahoo come from behind a two goal deficit to defeat Legal 4 - 3 on Jay McGeough's goal late in the third period.

Bon Accord doubled the score over Villeneuve 4 - 2. Legal took an early 2 - 0 lead over Calahoo on the strength of Remi Brisson's two goals. Andre Contant scored late in the period for Calahoo and Roger Berube tied the game with only a minute left in the period. Legal scored the only goal of the second period when Dennis Prefontaine beat Gerry McGinn on a high shot.

Jake Contant tied the game midway through the final period on an excellent passing play set up by brothers Andre and Claude, McGeough's winner came when he cleared the puck from the

corner deflecting off the Legal's goalie into the net.

Villeneuve with only 10 men dressed, put up a good battle before losing to Bon Accord in the third period. Victor Soetaert and Lorne Klak scored for Villeneuve. In Legal, Rick Pulegie tallied two goals to lead Morinville to an easy 8 - 1 win over Gibbons. Fred Hesse, O'Neil Chevallier, Norm Bohl, Brian Telford, Marcel Tourangeau and George St. Laurent added the others.

	W	L	T	Pts

Barons Split Two Games

St. Albert Sportshop Barons gained a split in their two midget double BB games last week with a 7-2 win over Ardrossan Saturday night following a 7-2 loss to Fort Saskatchewan last Thursday. The Fort scored four unanswered goals in the third period to pick up the win, Roger Meunier and

Bob Wallis scored for the Barons.

In Ardrossan on Saturday the Barons had no trouble getting back to their winning ways. They allowed Ardrossan to score early in the period and then roared back on goals by Claude Regimbald and Terry Kiser to take a 2-1 first period

lead. Matt Lister scored the only goal of the second period for a 3-1 lead. In the third Billy Warren, Roger Meunier, Darrel Billsten and Matt Lister scored to up the lead to 7-1. Ardrossan got their second goal with 10 seconds remaining in the period.

Calahoo Canucks Upset Calmar

The Calahoo Canucks pee-wee team coached by Cliff Fowler scored their first win of the year last Wednesday with a 5-1 win over Calmar at Calahoo.

The Canucks, sporting new uniforms, thanks to the Calahoo Sports Association, allowed Calmar to score the opening goal early in the first period when Jim Cameron beat Canuck goalie Travis Patrick. From then on Patrick shut the door

and watched his team-mates score five straight goals. Shane Quintal scored a pair to lead the way while Tim Witchee, Donnie Fowler and Dale Schafers added the others.

On Sunday the Canucks played an exhibition game against Onoway and once again won 3-1. Norm Majew, Dale Schafers, Shane Quintal, Tom Fowler and Tim Witchee scored.

Around Town

Business is brisk at Neil Ross's new-style "Universal Bottle Depot". One customer yesterday turned about 2,000 bottles and collected \$85. Another brought in \$70 worth of whiskey bottles. The depot is now handling Pepsi and Coke bottles for the first time, wine, beer and whiskey bottles and all pop bottles and cans, both returnable and the former non-returnable.

If everybody in St. Albert that has vowed to take off pounds, stop smoking, bed-get more wisely and lay off the booze, comes through with their resolutions, the town will be full of pure and thrifty residents, and who knows what wonderful things will be accomplished in 1973!

Two hundred and fifty people, practically all from St. Albert and neighboring districts enjoyed what many described as the "Best Ever" New Years Eve dance at the Community Hall. And many of them particularly mentioned the terrific food, which was provided by a local firm, Tri Catering. Dancing went on till 2:30 p.m. to the Golden Altos.

Lady Lions To Have Unusual Speaker

The next meeting of the St. Albert Lady Lions will be held Monday, Jan. 8th at 6:45 p.m. at the Purple Dude. Due to recent changes in administration, Mrs. Irene McGregor of the Women's Bureau will be unable to attend as guest speaker.

REASONABLE

cash them in!

You paid for them... now get your money back! From the first of January, the new Alberta Beverage Container Act assures a more convenient, simpler method of returning your empty beverage containers for refund.

SAVE THEM UP - CASH THEM IN!

Container depots, located in Alberta, will give you a cash refund for all soft drink containers... bottles and cans... and for all wine and liquor bottles sold after January 1, 1973. To find out where these depots are located, look for posters in all stores selling beverages. It will tell you the name, address and business hours of two nearby depots. It's as easy as that. And for added convenience, your local stores will continue to accept for refund, refillable containers of the types and brands sold there. All beer containers will continue to be accepted only by Alberta Brewers' Agents depots. Recycling is profitable for you, and good for Alberta's environment.

Alberta
ENVIRONMENT

Address any enquiries or complaints regarding the Beverage Container Act to: Special Services Branch, Department of Environment, 10040 - 104 Street, Edmonton T5J 0Z6 or Division of Pollution Control, J. J. Bowlen Building, Calgary.

WI Women enjoy Christmas Party

The St. Albert WI held their Christmas party at the home of Mrs. Lorraine Moore, 116 Grosvenor Blvd on December 12 with 25 members attending.

A motion was passed to send a delegate to the Provincial conference and the Federated Women's Institute being held at Banff June 17 to 23 in 1973. If any member wish to billet visitors in their home they should make it known to their district director.

Mr. Ball will audit the WI books as he has in previous years.

Our president, Doreen Robinson, had the honor of presenting 25 year pins to Mrs. Marguerite Atkins, Mrs. Betty Barry, Mrs. Cecilia Blair, Mrs. M. Lader-

oute, Mrs. Marie Rouault, and Mrs. Sadie Ross. A special pin of 40 year service to the WI was presented to Mrs. Mabel Ball. The remainder of the evening was delightfully spent singing carols and playing games. After a gift exchange a lovely lunch was served.

School Board Seeks Parent Reaction

The St. Albert Protestant School Board is most interested in the views of parents and teachers on the dates of the school year. This matter is not yet approved for the 1973-74 year and Superintendent Elmer Gish has sent letters to all parents and teachers. The dates presently vary quite a bit throughout the province, and the subject became very controversial in Edmonton recently.

The Board hopes that they will hear from a large number of parents and teachers and if enough interest is apparent would set up a public meeting before January 24th, when the matter will come up for decision.

Happy New Year At Library

The new year brings with it happy news for all local residents from your public library. Several changes in the regulations of the St. Albert Public Library which become effective from the first of January, 1973 will hopefully provide better service for all library patrons.

As was announced in the last edition of The Gazette, after January 1st there will be no membership fee charged for joining the library. Since the library is tax supported, all local residents may now make free use of its services by simply registering at the library and obtaining a library card. Children under 16 who wish to register will need parental permission before a library card will be issued.

The Library Board feels that this new policy will better exploit the resources of the library and encourage fuller use by the

total population of the town. In addition to the abolition of membership fees, beginning the first of January the loan period for all library materials will be lengthened to three weeks from the present two weeks. The move is being made due to the inordinate number of requests for renewals of books and in view of the fact that the collection has been increased during the past year by approximately 6,000 volumes. However, in line with the extension of the loan period, will come the promotion of the reserve procedure whereby a borrower may reserve an item not immediately available in the library. Then, upon its return the item will be held for the requesting borrower. There is a charge of 10¢ for this service. Additional copies of popular books will be purchased in order to meet heavy demands on certain titles in view of the extended loan period too.

Although the present fine structure will continue (\$5 per day per book for children's books; 5¢ per day per book for adults' and young adults' books), a maximum of \$1 for overdue children's books and a maximum of \$2 for overdue adults' books has been instituted effective January 1st. No overdue fine for any single batch of books will exceed these figures regardless of the number of books overdue.

The Library Board feel that fines should be a deterrent from keeping books too long, not from returning them once overdue. As a matter of courtesy the library will send two regular overdue notices at weekly intervals. If collection of overdue materials becomes necessary then a collection fee of \$1 will be charged as well as the accumulated fine. The preceding changes in the library's regulations have been made in accordance with the effort to promote the further use of the library by all residents while trying to improve the library's service to all. With a book collection of 20,000 volumes and offering 52 hours of service six days of the week the library Board hopes that these few changes will result in the library's fuller use by all.

This is one of the four classrooms of the St. Albert Parish Kindergarten, rehearsing their Christmas concert. Back row, left to right: James Ward, Mary-dale Stanley, Doreen Vachon, Suzanne Lund, Darcy Hirsch, Valerie Pawlyk, Susan Melik, Christine Blert. Second row: Leah Woodford, Carol Wood, Robin Parkes, Suzanne Bogaert, (Joseph) Jason Cunningham, (Mary) Michelle Gregersen, Debra Michalko, Shelley Robinson, Kim King. (The Three Kings) Michael Crosby, Kevin Freeman, Roger Brunelle. (Drummer Boy) Jay McMartin. (Shepherds) Richard Parent, Michael Couture. Absent was Erin Clarke.

3 Guides Earn Canada Cord - Guiding Award

In a special ceremony at the Lutheran Church, three girls received their 'Canada Cords'. They are Sandra Yeats, daughter of Mr. and Mrs. Ron Yeats, 4 Gillian Crescent, Lynda Garrett, daughter of Mr. and Mrs. Jack Garrett, 121 Grosvenor Boulevard and Heather Sturges, daughter of Mr. and Mrs. Phil Sturges, 10 Gros-

venor Boulevard. Approximately 60 - 65 people were in attendance including guides, camp advisor, commissioners, cadet leader, cadets, parents and friends of the girls. All the girls are from the 2nd St. Albert Guide Company. Refreshments and sing-songs rounded out a very special evening. Congratulations girls!!

The Old Year 1972 In Review

JANUARY - 1972

One year ago, as we review the 1972 editions of The Gazette, we find that Town Council dealt with the question of snow vehicles at its Jan. 4 meeting. The recommendation from the Police Commission would have restricted snow vehicles to daylight hours instead of the 11 p.m. deadline. We find that hot and heavy views were expressed on the matter and when it came time to vote to amend said hours, only Councillor Bakker voted in favor to half snow vehicles at sun down. The motion to amend was thus defeated and nothing much has changed since in that department.

While talking about things which haven't changed much, we see, in the Jan. 12 issue of The Gazette that St. Albert was not granted permission to use the Cardiff site for garbage disposal and thus left the town without a place to dispose of its garbage other than at Edmonton facilities. One year later St. Albert is still looking for a site.

New Year's baby, born January 1 at 6:10 p.m. was Steven Hammond whose mom and dad lived in Edmonton. Another happy event which occurred in January last year was the nomination of Father Ubaldo Duchesneau as Citizen-of-the-Year, an annual event which always generates a great deal of interest and is sponsored by the St. Albert and District Chamber of Commerce. Later in the month, on Sunday, January 16 the entire community gathered at the Community Hall to celebrate the 50th Wedding Anniversary of Mr. and Mrs. Lorne Akins, a brave and distinguished pioneer couple. Also in January last year Mrs. Emma Belanger of Villeneuve celebrated her 89th birthday with eight of her children and many relatives and friends.

Late in January last year Bob Lema of Villeneuve was elected president of the St. Albert Progressive Conservative Association, thus replacing Rene Kambourov, who had completed his term of office. Also in the realm of politics, we note with interest the increase of \$4 million to Alberta municipalities as per announcement by Premier Peter Lougheed. These additional funds were allocated to help municipalities provide desperately needed services. Meanwhile, Town Council of St. Albert approved a motion by Councillor John De Bruin that a review of town land be made which would be suitable for commercial and light industrial development.

Mrs. Helen McArar marked her 198th birthday with over 100 relatives and friends attending the event held in the Youville Home. In view of BACM's application to the Local Authorities Board for annexation of 480 acres of land to St. Albert, a local group called the St. Albert Community Planning Committee was formed to study the wisdom of this annexation application.

FEBRUARY - 1972

An apartment block was destroyed by fire on Sturgeon Road and Bishop Street just one day before the new 36-sulter was to be ready for occupancy. Loss was reported at \$400,000.

Three noted local curling teams, Gervais, Comeau and Reed with their respective rinks captured berths last February in the greater Edmonton consols playdowns. Meanwhile, John Graves was named manager of the Royal Bank here. . . . In Morinville, the hotel owned by Mr. and Mrs. Walter Pankew was sold to Mr. and Mrs. Felix Mlaer of Edmonton while in Legal Mr. and Mrs. Herve St. Once celebrated their 25th wedding anniversary. . . . Dr. Walter Mirfin of St. Albert, chief of staff at the Sturgeon General Hospital was elected president of the College of Physicians and Surgeons of Alberta. . . . In Bon Accord an ambitious expansion contract was awarded for the construction of a \$75,000 addition to the hotel. President of the hotel, Donald A. Grant made the announcement early in February.

Other February, 1972 events worthy of review include the presentation of a \$4,520 cheque to the mayor of Legal, Leon St. Martin by St. Albert MLA Ernie Jamison. The money represented a five-year capital grant, covering the period from 1968-73. The beautiful big cheque was in turn handed over to the Legal Recreation Board. . . . In Town Council affairs last February, paper work was being prepared for the construction of St. Albert's new water-lagoon, which is now in full operation and increases the town's storage capacity by two million gallons. It was also on February 10, barely one month after celebrating his 50th wedding anniversary that Lorne Akins passed away at the age of 81 years.

MARCH - 1972

During March in 1972 the prime topic of conversation was BACM's application for annexation and the local Community Planning Committee opposing the proposal. President Barry Breadner unveiled his committee's views on the matter at several public meetings and managed to obtain reaction from the Local Authorities Board to hold a public hearing. . . . Gerry Belke was elected president of the St. Albert and District Chamber of Commerce. . . . Father Ron Polier was ordained to the priesthood. . . . and Gilbert Boddez of Morinville was appointed assistant-secretary of the Sturgeon Hospital District.

March also saw the grand opening of the Carmar Ridge, on Muir Drive where several local businesses moved to more spacious and modern quarters. March 1972 also brought forth the first (and only) appeal for blessings from Town Council to establish cable television service in St. Albert. Sturgeon Valley decided its presentation through representatives

Bob Russell and John Barnaschone and Council approved unanimously the applicant's endorsement for a license. . . . The brand-new Progressive Conservative Government in Alberta held its first session March 2 and unfurled what was termed as a mild legislative program, but proved to be nothing of the sort. . . . Later in March Mayor Ray Gibbon told members of the St. Albert and District Chamber of Commerce what he thought of Mayor Dent's plan to engulf St. Albert in a giant annexation proposal. The terms Mayor Gibbon used relating to the Hanson Report and Edmonton's plans included "outdated and ridiculous."

St. Albert Kinsmen hosted the Zone 2 Spring Convention last year. . . . meanwhile, both school systems held annual meetings which failed to draw any semblance of an interested crowd of ratepayers. . . . A new bank opened its doors in St. Albert last March when the Toronto-Dominion officially announced its grand opening of a branch here, located in Grandin Shopper's Mall and managed by Charles Van Elsland. Another new business opening up in town at the end of March was Sir Arthur's Steak and Pizza Palace. . . . two more nominations were announced in March for the forthcoming federal election, Dan Hollands, PC for Pembina and John Berger, Liberal.

APRIL - 1972

April 1972 started out with the lengthy public hearing held to determine the pros and cons of annexing about 480 acres of land to St. Albert. . . . Dan O'Connell, former secretary treasurer of the Town of St. Albert was appointed to the post of Chief Administrator. . . . The local Royal Canadian Legion unveiled plans for a new Legion complex. . . . The Pearl Quintal rink made up of Skinny York, Elsie York and Opal Quintal were three time winners in St. Albert Ladies Curling competitions last year.

In the local fund-raising event department, the Kinsmen Skale-a-thon turned out to be one of the most successful ever held and the Breakfast Lions soon afterward sponsored another successful Bike-a-thon. Macleods opened its new store here in St. Albert April 13. In Morinville the hockey season was wrapped-up with a mammoth father and son awards night attended by over 250 people. Meanwhile in St. Albert, the annual Curling Club wind up dinner, dance and awards presentation drew approximately 300 guests. . . . April last year ended on a note of anger with a fierce wind and snow storm which caused power interruptions lasting up to 22 hours. . . . At the Sturgeon General Hospital the final payment of \$400 for the purchase of a \$1,200 short-wave diathermy unit, courtesy of the Women's Institute was made by Mrs. Doreen Robinson, WI president.

MAY - 1972

During the beautiful month of May St. Albert and district residents will no doubt remember that that was the month when Lions Park underwent great up-grading projects, including the start of the Breakfast Lions' bandshell while the Supper Lions were already well into their renovating project qualified under the Local Initiatives Program. . . . School District No. 3 decided to struggle through the year with an imminent deficit situation rather than go for a plebiscite.

Later in May, Russell Bowen was appointed secretary treasurer of the Town of St. Albert. . . . the local Legionnaires held their dirt tournament, one of the biggest dirt competitions held in Western Canada. . . . The Sturgeon Hospital received a \$500 cheque from the Wellcome Wagon Newcomer's Club. . . . and the Lady Lions were making plans for their convention slated for June 1st in Edmonton where the local gals presented a Klondike-style fashion show. . . . The Sportsmen's Dinner, always a great event, was held on the 13th with many celebrities present. . . . The Preventive Social Services Board was awarded semi-autonomous status by Council through ratification of By-law 20/72. In Morinville the annual Spring clean-up campaign was again launched by the Board of Trade while the Morinville Lions held their charter night. . . . At Nanao every body was congratulating the Senior Hockey Team for winning the Sturgeon Valley championship trophy for the second time in 10 years. . . . In Legal the citizens there bid farewell to Father Tellier and welcomed Father Blaisonne. . . . Sturgeon General Hospital received an immobilizer, a device to secure young patients before being X-rayed, from the Lorne Akins Memorial Fund. . . . A tragedy marked the end of May with a Victoria Day weekend tent fire which claimed two young lives and seriously injured three other children.

JUNE - 1972

St. Albert residents were informed of a dual millrate for 1972, 72.645 for Catholic School supporters and 78 mills for Protestant School supporters. . . . A local 12 year old lad, Donald Ouellet, performed a heroic act while enjoying a family outing at Pidgeon Lake and saved three men from drowning. Donald was then presented the Junior Citizen of the Year Award. . . . Roger's Esso opened his newly remodelled service station making it one of the larger auto-service complexes in the area. . . . In the realm of Lionism and Kinsmanship, St. Albert indeed scored with two winners last year in June when Bill Hite was elected Governor of District 4 encompassing 62 Kinsmen Clubs while Rock Holman was elected Governor of District 37-B Lions International, the largest Lion district in the world.

June was a tremendous month for St. Albert last year when it heralded the grand opening of the new Grandin Shoppers' Mall. . . . Grand opening of the Bon Accord Hotel. . . . the 10th Anniversary of the Grandin Shoppers' Park and the launching of the Kinsmen 111 Annual Rodeo. Also in June Morinville celebrated its annual Frontier Daze. Unfortunately, after all the preparatory work had been done for both the St. Albert Kinsmen Rodeo and Morinville Frontier Daze, torrential rains washed out everything but the hardest of enthusiasts who attempted to carry on some of the entertainment as planned.

JULY - 1972

The first month of the summer holidays left St. Albert in a semi-doldrum atmosphere. Many of its citizens were away on holidays thus leaving activities in town and district moving along at a much slower pace. The Sturgeon Cleanup project got under way right after the Canada Day weekend and Town Council started talking about developments in one of three potential areas, namely Neighbourhoods 10, 11 and 12. . . . The Library Board appointed Don Mills as librarian and Mayor Ray Gibbon presented a \$2,320 cheque to Father Colin Leverage, this being the Town grant to the St. Albert Museum Administration Board. . . . Shirley Goldstick was a busy girl last summer supervising children at Lions Park, meanwhile, other local youngsters attempted to fulfill local needs by organizing The Helms or participating in self-improving projects such as the Junior First Aid or the Holiday Community Volunteers and another active group belonging to the St. Albert Teen Centre. . . . Riviere Qui Barre Recreation Society received a \$6,000 cheque from the provincial government. Presentation was made by St. Albert MLA to Angus MacDonell.

During the final days in July the Local Authorities Board held a public hearing on the sanitary landfill site issue. This hearing failed to terminate after over seven hours of testimony was heard. A second session was scheduled for August 17. . . . Newfoundland exchange students were welcomed here in St. Albert July 27 at a public banquet which touched-off 10 days of activities for the eastern visitors and their spent in equal number of days in the eastern province. . . . On July 29 and 30 Legal celebrated its annual Blow-out, affectionately referred to as Fete au Village, and it escaped the weatherman's wrath, thus proved to be a great success.

AUGUST - 1972

Mission Park School was viewed by provincial and local authorities with a view toward establishing this vacant building into a comprehensive provincial recreation headquarter. . . . The

Saskatoon Lions Band and Majorette Corps, performed here at the new bandshell in Lions Park to a crowd of over 300 citizens. . . . Doug Milroy, noted local baseball coach was one of 30 northern and central Alberta amateur baseball coaches to be awarded a Scroll of Merit by the Canadian Amateur Federation. . . . The PSS Day Care fee structure came under fire in August and most of the dissent was generated within the PSS Board. . . . One member, Mrs. Hennie Stibe held the view that day care service charges should be held at the rate of \$7 while the remainder of the board overruled her with a lesser fee of \$5 per day. . . . The Pioneer Railroaders started making plans to remove the St. Albert railway station to its final resting place on the Alberta Pioneer Railway Association site located north-east of the Nanao Area. . . . Sturgeon River Cleanup crews celebrated their final pay August 11 after the project had been successfully completed. . . . Morinville held a dinner for 22 exchange students from Louiseville, Quebec. . . . Gazette Publisher Ernie Jamison joined the battery of newsmen last August when Calgary Power closed part of the North Saskatchewan River to create Abraham Lake and complete the Big Horn dam, about 75 miles west of Nordreg. . . . In Morinville a landmark since 1905, the Alberta Hotel was demolished. . . . Five St. Albert members of the Alberta All Girls Drum and Bagle Band were in Munich August 22 and certainly went over big as we all know. The five locals forming part of the 106-member band are: Carol and Maureen Riddell, Beverly Lewis, Jill Plaster and Pam Innes. . . . Council reorganized its various committees and juggled representatives to various boards and commissions including the appointment of Councillor Frank Lukay as council representative on the Edmonton Regional Planning Board, replacing Mayor Ray Gibbon.

SEPTEMBER - 1972

St. Albert got an early start in its hockey season by announcing early in September that we would have an entry in the newly-formed Edmonton Metropolitan Junior Hockey League. . . . It was also early in September that the St. Albert Day Care Centre started functioning with a full-time director and a part time assistant. . . . Town Planner J. X. Woodroffe resigned his position and thus left a vacancy which has been temporarily filled while Council is studying the merits of hiring a full-time planner. . . . A. M. Wheeler, chartered accountant purchased the Rene Kambourov accounting firm. . . . Meanwhile Jack Post of 24 Sunnyside Crescent was appointed by Order in Council August 22 as Justice of the Peace. . . . Later that same month local Progression Continued on page 11

1972 In Review

Continued from page 10
 sive Conservatives enjoyed a gala first anniversary party held at Club Mocombo. . . . Walter Hepler was appointed Co-ordinator of Instructional Services in the Sturgeon School Division. . . . It was during September that extensive renovations to the building on Perron Street, across from The Bruin Inn forced The Gazette to move to temporary quarters in the Carmar Building on Muir Drive. . . . It was also during September when Prime Minister Trudeau decided to call Canadian voters to the polls October 30. Thus St. Albert and vicinity became involved in quite an active federal election where we had a ringside seat on a contest going on in three separate constituencies, involving 13 candidates.

OCTOBER - 1972

St. Albert Motorian (1972) Ltd. obtained partial permission to go ahead with the start on construction of a \$1.5 million hotel on St. Albert Trail and close to Ball Avenue. . . . Henry Terault president of the St. Albert Community League presented the chairman of the Sturgeon General Hospital, Bill Flynn, with a cheque of \$600 to be used by the hospital board wherever needed. . . . Mrs. Arlene Borgstede was named president of the new St. Albert Historical Society. . . . Council approved a proposal by Bernie Montpetit of Carmar Holdings Ltd. for the construction of a medical clinic on St. Winston Churchill Ave., and Grandin Road. . . . The St. Albert and District Chamber of Commerce hosted a political forum at which four Edmonton-West candidates presented their views. . . . Local Authorities Board approved the annexation of about 480 acres of BACM land lying adjacent to Lacombe Park Subdivision. . . . St. Albert was again chosen as the site for the Parade of Homes, thus making it two years in a row. . . . Larry Mitchell, second baseman with the Calahoo Chiefs Fastball Club was awarded the Phil Turner Memorial Trophy. Of special significance

in this award is the fact that Mr. Mitchell was the first recipient of the Most Valuable Player of the team. . . . An EMO mock disaster was held October 13 and proved to be a rigid test for all agencies concerned. . . . ATA dinner served as a means to introduce new teaching staff in St. Albert and honor Mrs. Cecil Blair who completed 37 years in the teaching profession. . . . Charles Schroeder was elected chairman of No. 6 Protestant School Board, replacing Jim Wilshire who had just completed his term of office. . . . In the No. 3 Catholic School Board, Don LaBelle was elected chairman replacing Dave Fraser. . . . And of course there was the October 30th general election, we all know how that turned out.

NOVEMBER - 1972

This was an active month with Remembrance Day ceremonies. . . . our local M.L.A. Ernie Jamison tabling his Censorship Report and Councillor Lukay going after Calgary Power because of a lengthy power interruption. A lot of newsy stuff happened which made The Gazette staff turn the midnight oil more than one night during November. There was also Rene Kambouroff's resignation as councillor and the anticipation of a by-election. . . . Then there was the implementation of the Supplementary Assessment By-law which provoked a considerable amount of public reaction. . . . And November was terminated on a happy note when residents of St. Albert selected Ed Savole as Citizen-of-the-Year at the gala St. Albert and District Chamber of Commerce banquet.

DECEMBER - 1972

We're sure you all recall last month's news events therefore we shall review that month very briefly. A by-election was announced by Town Council to fill a vacancy left by Rene Kambouroff's resignation. Voters will also cast ballots to fill two school board vacancies created when Chairman Don LaBelle of No. 3 S.D. and Bill Penrose of No. 6 S.D. resigned. Voting will be held January 30.

Lady Vere deVere, captured by the Indians was a very entertaining skit presented during the holiday season by Father Jan Junior students. The skit was produced by Margaret Kaminski.

Recreation News

The Wednesday public skating session in the Arena is being cancelled from Wednesday, January 10, because of the low attendance. Sports night for Teens 13 and over resumes in Sir George Simpson School tomorrow evening, January 4.

Ed: "How about phoning our wives and getting them together and going out for a good time?" Ted: "OK, where will we leave them?"

A PAGE DESIGNED TO INFORM FARM READERS ON CURRENT AGRICULTURAL NEWS AND EVENTS AND TO SERVE AS A FORUM FOR EXPRESSION OF FARMERS' OPINIONS

You And Your Better Business Bureau

By Pat Prymak,
District Home Economist.

The facilities of over 140 Better Business Bureaus with their files, their contacts and their staffs of experts are available to the public at large. When you need experienced information on facts before making an important purchase, when you have a specific question or complaint, all you need do is contact the nearest BBB.

BBB services are free -- no charges, no strings attached. The business community supports the BBB, which in turn provides consumers with this free service.

Here are a few illustrations of the kinds of problems that the BBB is asked to handle. "A woman is on the phone, almost in tears. 'I had a man come over to put a new thermostat on my refrigerator. That was three days ago. He charged me \$31.50 and it still doesn't work. Now he tells me he won't come back until next Thursday.'"

A woman who owns some valuable Oriental rugs asks for information on a rug-cleaning firm. She gets it almost instantly. 'This firm was established in 1926 and our files show no serious problems.'

A woman reports that she has received merchandise she never ordered. She is advised that she is under no obligation to pay for such goods or to return them.

A man enquires about a firm selling uniforms by mail. The BBB reply is 'Our files on this company show complaints about long delays in deliveries which the company has not adjusted.'

BBB HAS THREE AIMS:--
The arms of the Better Business Bureau are three-fold:

1. To protect the buying power of the consumer;
2. To encourage honesty in business;
3. To inform the public on how to do business so the consumer can buy intelligently and gain maximum satisfaction from his purchases.

Here are some of the things a Bureau can do for the consumer:

1. Give pertinent information on business firms and organizations in the area. You must draw your own conclusions.

2. Handle complaints. If you have a legitimate complaint against an ethical firm the BBB will almost always be able to help you settle it quickly.

3. Check on advertising claims to look for unrealistically low prices, phony illustrations, deceptive offers of free merchandise with purchases.

4. Develop standards in advertising and selling. The BBB has helped to evolve ground rules by which businesses are guided in creating advertising and sales promotion of their products and services.

YOU AND YOUR BETTER BUSINESS BUREAU

Better Business Bureau do not handle complaints about the pricing of goods and services. This is a matter between merchants and customers. They do not appraise products. They do not give legal advice or recommendations. They give you facts. They expect you to form your own conclusions and to act accordingly. GIVES A GUIDING HAND

The BBB's contribution is affirmative. It is intended to guide you toward intelligent buying by providing you with the know-how for making sensible choices and then leaving you free to exercise your own judgement.

In Edmonton, the address for the Better Business Bureau is 11765 Jasper Avenue, telephone - 482-2341.

Mental Health Alberta

Issued by Pat Prymak
District Home Economist.

What is it? It is a division of the Canadian Mental Health Association. The Association announces a unique province wide mental health information service designed to serve two purposes:

- 1) To provide Alberta

professionals, individuals and organizations with ready access to up-to-date mental health information, including audio-visual resources, programs, etc.

2) Individuals seeking advice about mental health problems will be provided such assistance, although this aspect of the service is primarily designed for those people living in non-urban areas where these services are not generally available.

Among the areas of interest to the Association are:

- a) Suicide -- incidence, causes, approaches to intervention.
- b) Administration of Mental Health Services
- c) Mental Hospitals
- d) Care Givers - Psychologists, Psychiatric Nurses, Social Workers, Psychiatrists, Clergymen.
- e) Prevention of Mental

Alfa-Bar Pellets Soon

Alfa-Bar pellets will soon be available to Alberta livestock producers. This new product has been developed by an Edmonton feed company in response to a request from the provincial department of agriculture's marketing division, which resulted from discussions with Japanese livestock feed importers.

There are several types of Alfa-Bar pellets. One contains 75 per cent dehydrated alfalfa and 25 per cent barley. Another, known as Alfa-Bar R, is made up of 50 per cent dehydrated alfalfa, 25 per cent rapeseed meal. The one restriction in the manufacturing of these pellets is that they cannot contain more than 25 per cent wheat, oats or barley or more than 25 per cent of any combination of these grains by weight. If they do they will come under the jurisdiction of the Canadian Wheat Board.

At the present time Alfa-Bar pellets have to be supplied

Illness.

f) Battered Children -- Psychotic Children - Teaching Disabled Children

g) Mental Health in Industry - Alcoholism, Absenteeism, Discontentment, etc.

h) Law and Mental Disorder

i) Mental Health Training and Education.

j) Volunteer Mental Health Programs

k) Family life

l) Aging - Retirement problems, Social adjustment

At present, this service is available through a TOLL FREE ZENITH NUMBER (ZE 06031) DURING OFFICE HOURS MONDAY THROUGH FRIDAY.

The mailing address in Edmonton is:

Mental Health/Edmonton
205, 10711 - 107 Avenue,
Edmonton, Alta. T5H 0W6
Phone -- 422-6137.

plemented with other nutrients, except perhaps in the case of maintenance rations for beef cattle. The main advantage of the Alfa-Bar pellets is the ease with which they can be transported, stored and handled, which results in a considerable saving of labor.

John Channon, chairman of the Alberta Grain Commission, believes that Alfa-Bar products are likely to develop into a high quality, semi-processed starter ingredient for feed formulas for various types of livestock and poultry in Canada and abroad.

The present limited supply of dehydrated alfalfa is holding up production of Alfa-Bar products. It is hoped that alfalfa production will be considerably increased in this province next year. Several feed companies are interested in Alfa-Bar products, and one has already manufactured some on a trial basis.

Decorating Errors

By Pat Prymak,
District Home Economist

All of us have a collection of furniture and bric-a-brac of some sort. I wonder though, how many of us make the best use of what we've got.

There are several common errors in Interior Decorating that can be corrected at no expense.

*When it comes to draperies or sheer curtains, there are really only three attractive lengths. These are floor length, the bottom of the window apron (the apron is the board below the window), and window sill length. If your curtains are somewhere in between, it may be well worth thinking about shortening them to the strategic point above. If they are above the window sill you had better start saving the egg money for new curtains or, let them down if it can be done inconspicuously.

*Pictures should never appear as spots on the wall. Assemble what you have and group them together in an area that corresponds to the size and shape of the furniture below. It is not necessary that the pictures be of the same size and type, just that they go well together. Wall decorations must tie in with the furnishings rather than appear isolated from the rest of the room. Hang them at eye level therefore, and not in the rafters. Don't hang pictures in the stair step fashion unless it is a stair wall that you are hanging them on. At most times, hang pairs of pictures side by side or one above the other.

*No piece of furniture should be placed diagonally across the corner of a room. It reduces room size, and destroys the unity of the room.

*End tables are most attractive when they are no higher than the arm of a chair. They should be even with or slightly lower than the chair arm.

*Big lamps do not belong on small tables. The table and lamp should be compatible in scale.

If you are using an "area" rug, it should be large enough to define the area. For example, a rug before a chesterfield should be large enough to accommodate that piece plus the coffee table in front of it. A dining room rug should take care of both the table and the chairs in a seating position. Shape of the rug should also harmonize with the shape of the room and furniture groupings. For example, a round rug used in a square dining room with a rectangular table is not in keeping with the general shape of that room.

*Space is restful. Nothing decorative looks good if it's cluttered. It's best to start with the main pieces of furniture and then add accessories where they're required to give variety. Should you find there is too much clutter in your room why not put some items away and change them every few weeks or months. This way you can enjoy them more since other pieces do not distract your attention.

Hope some of these things will help some of you when it comes to re-arranging rooms in your home.

Unthrashed Grain Assistance Policy

Issued by Wally Klatt,
District Agriculturist

Farmers who have unthrashed wheat, oats, barley or rapeseed in the field may apply for assistance. This assistance is applicable only to bona fide Alberta resident farmers.

If eligible you are requested to contact Mr. A. Nobert, Secretary Treasurer, or Wally Klatt, District Agriculturist, for application forms. Your Canadian Wheat Board Permit Book is required.

This assistance program terminates on February 28, 1973.

Re-upholstery Courses

Issued by Pat Prymak,
District Home Economist.

A re-upholstery course is slated for February 19, 26, 27, 1973. This is to be held at the Morinville Recreation Centre starting at 9:30 a.m. to 4:00 p.m. each day.

A minimum of 12 applicants is required for the course. A registration fee of \$3 is to be submitted to this office before Jan. 15th.

For further information write or call your District Home Economist's office, Box 510, Morinville - phone 256-3351.

Market For Canadian Barley

By Dr. S. A. Wells,
Cerealist, Lethbridge Research Station

The last decade has seen a substantial increase in western Canadian production, marketing, and exports of barley. In the 1962-63 crop year total production was 166 million bushels, total deliveries to elevators 78 million, and total exports 10 million bushels. In the 1971-72 crop year total production was a record 570 million, deliveries 295 million, and exports 225 million bushels.

During this period, approximately half of the total barley production was delivered to elevators and the other half disposed of at the farm. An annual average of about 25 million bushels has been malted in Canada and a further 16 million bushels exported as malting barley. This market for malting barley accounted for one-

third to nearly one-half of total deliveries until the very large deliveries of the last two or three years. In the last crop year the malting barley market used 46 million bushels or 16 per cent of total deliveries.

These figures illustrate that we have a relatively small but growing premium market for malting barley with domestic consumption and exports both increasing gradually. They also point up the large and growing world market for feed grains and that Canadian barley can compete successfully in this market.

Clearly, the long-time market prospects for barley are good. Consequently, an important objective of the barley program at the Lethbridge Research Station is to develop high-yielding, well adapted varieties that will meet the quality requirements of both malting and feed markets.

Several Families Bereaved During Holidays

QUAGHEBEUR, GEORGE GUSTON: On Dec. 18, an old timer of St. Albert and well known in all the district, Mr. George Guston Quaghebeur of St. Albert passed away at the age of 86. Funeral services were held in St. Albert and interment followed in the Holy Cross Cemetery. He is survived by his widow Elzida in St. Albert. Two daughters, Mrs. Mary Camuel, Edmonton and Mrs. Alice Borie, Riviere Qui Barre, Four sons, Joseph, Thophile, Roger, Edmonton; Gerard and Norbert, both of Legal; 39 grandchildren and nine great grandchildren.

grandchildren.

LAMBERT, MARIE-CHRISTINE: Mrs. Marie-Christine Lambert of Picaudville, passed away on December 18, at the age of 96. Funeral services were held in St. Benedict's R.C. Church in Picaudville, on Dec. 21st with Monsignor Alfred Rooney of Westlock officiating. Interment followed in the local church cemetery. She is survived by her husband, Cyrille of Picaudville, one son, Armand in B.C., three daughters, Miss Simone Lambert, Mrs. Lillian Juneau and Mrs. Jeanne Rosendale all of Picaudville.

ardville.

SALIGO, ARTHUR: Death came on December 27 to Mr. Arthur Saligo, in St. Joseph Hospital in Edmonton at the age of 76, after a long illness. Funeral services were held on Saturday, December 30, in St. Peter's R.C. Church in Villeneuve, where he was a pioneer of the district, with Rev. Ralph Bernard OMI celebrated the funeral mass. Interment followed in the local Church Cemetery. Six nephews were pall bearers, Octave and Octave T. Himschoot of Morinville; John Toussaint

of St. Albert; John Escallier Wabamun; Jim Reed, Wabamun; Frank Saligo, Villeneuve; Mrs. Clara Saligo; one son, Jerome, also on the family farm in Villeneuve; two daughters, Mrs. Camille (Yvonne) Dupuis, Javille; Mrs. Roland (Doreen) Toussaint of St. Albert; 13 grandchildren; two brothers, Donny of Penitence, B.C. and Omer, Wabamun. Two sisters Mrs. Theophile (Germaine) Himschoot of Morinville, Rev. Sister Mary Alphonse, Sister of Charity of Halifax, St. Vincent Convent, Edmonton.

To all bereaved families, a sincere expression of sympathy on behalf of the entire community of residents, in various parts of the district.

By Rose Martel

STELLE - FERDINAND: Death came suddenly on December 14 for Ferdinand Stelle, 66, of Morinville, at his farm residence, victim of a heart attack. Funeral services were held December 17, in St. John the Baptist Church with Rev. G. H. Primeau, officiating. Interment followed in the local church cemetery. Pallbearers were six nephews, Richard Hess, Vegreville; Dale Hess, Edmonton; Gerald Hesse, St. Albert; Harold Hess, St. Albert; Christopher Kluthe and Larry Hess both of Morinville. Born, July 30, 1906, in Breken, Westfalen, Germany, the late Mr. Stelle came to Canada in 1927, with his aunt, the late Mrs. Mary Bokenhof. He worked as a hired hand for several years in the district and married the former Mary Hesse of Volmer in Edmonton, in 1937. They resided on a farm owned by the late Fred Bokenhof of Volmer

for two years.

In 1940 Mr. and Mrs. Stelle purchased their present farm from the late Alve Stelle, west of Morinville, where they raised their family of four children, and expanded the home farm. With his two sons he became a very active citizen, and for years the Stelle curling team was a by-word in district bonspiels. Mr. Stelle was also a Lions Club member.

In 1967 Mr. and Mrs. Stelle purchased the former Albera Hotel in Morinville, which was sold in June 1972, and later demolished. He is survived by his widow Mary four children, Harvey and Raymond of Edmonton and Mrs. Don (Doreen) Streeter and Mrs. Jim (Hazel) Vorvynck, of Morinville, 12 grandchildren and one brother, Herman of Breken, Germany.

WI Entertains Husbands

By Liz McLeod

The December meeting of Calahou Women's Institute was held on the 18th at Mrs. P. McLeod's home with 13 members and visitors, Mrs. John Addl Thatcher and Mrs. Henry Joyce Bergstreiser present. So sorry Edna Guenette was absent was Mrs. G. Emelia Schermund, who seldom misses.

For this Christmas party a tree was bedecked with tinsel and lights, with colorful presents around it.

There was a short business session and letters were read, one from Mrs. Mary Southwell from Underbowl CWA in Australia, our link, and cards from our Leper friend Mr. Menor and a card and note from our handicraft convener Mrs. Frances Rhese of Sanguido. It was voted upon to send 10 dollars towards the office fund. A discussion followed on plans for catering.

President Mary Dalheim had a pleasant duty to perform in presenting treasurer Mrs. R. Alice Schermund with a chrome-engraved tray for her 10 years regular attendance and also a Federated Women's Institute pin in appreciation of all the work she's done. Alice has just missed one meeting in the soon 14 years, Calahou WI has been organized. Three members received this pin for 13 years regular attendance. Pictures were taken also, to remember our Christmas party.

The door prize sent by Emelia was won by Mrs. J. Emma Dalheim.

The roll call was bringing a gift for a husband and these were in a box and the 13 gentlemen present enjoyed opening their gifts as well as having a real friendly neighborly visit.

To members delight at the gifts were opened and secret pals revealed, Vic Albrecht favoured with tunes on the violin to which we sang carols and then John Thatcher favored us with a good toe tapping dance tune.

The group was thrilled to have Mrs. John Thatcher become a new member, so

there are still 15 members. Addl had a long stay in hospital but is home again and doing nicely.

After the always delicious lunch, all wished each other the joys of the season and went their separate ways home, while the hostess put the house back in order while listening to good music on the radio.

GIBBONS NOTES

A speedy recovery is wished to Harvey McLean and Dick Rowsell both in the General Hospital at Fort Saskatchewan.

Mr. and Mrs. Fraser Gibbons of Toronto are visiting friends and relatives in the area.

Mr. and Mrs. Eugene Burak of Calgary were visiting at the home of Don and Shirley Rurak over the holidays.

Speedy recovery is wished to Doug Bluet.

Sincere sympathy to Mr. and Mrs. Jim Petherbridge and family on the death of Mrs. Ivy Lajeunesse, at the age of 86.

Mr. and Mrs. Bruce Pawlechko and Harold Chuck visited the Herb Buehler family at Calgary during Christmas.

Mr. and Mrs. Larry Boettger of Red Deer have been visiting the Klassen and Boettger families for the holidays.

Larry and Myrna Pyper and children spent the holidays at Winnipeg, Manitoba.

Mr. and Mrs. Larry Sch-

neider and children of Grande Prairie have been visiting the Serfin families during the holidays.

Namoo 4H Beef Club News

At the December 4 4H Beef Club meeting held at the Engley residence, it was decided to have a toboggan party on December 17 with supper at the Sunny Side Hall afterwards. Mr. Doug Bowman distributed the 4H record books to the club members. Dwayne Ash, Wendy Bowman and Margaret Engley were to make up the years program on Wednesday, December 13. The next meeting for all the 4H members of the Namoo Beef Club, will be at the Horricks residence, on January 8. After the meeting lunch was served by Mrs. Engley and Teresa.

MORINVILLE MEMOS

By Rose Martel
May I take this opportunity to wish all our readers a happy, prosperous and peaceful New Year with very best personal wishes, to one and all for 1973.

I also take this opportunity to announce that I am taking leave of absence from the Gazette until further notice, and that the new local correspondent and advertising helper will be Florence McGinnis. Her office is next door to the Post Office and she will continue with the same deadline for news and advertising: -- Friday noon. All local club correspondents are requested to drop in their reports during business hours from 9 a.m. to 5 p.m. only.

Prior to Christmas, two school concerts were held for elementary and junior grades in the Recreation Centre, with good audiences in attendance. Both were

most enjoyable with a variety of songs, skits and short plays.

The Legion hosted a very successful Christmas party Christmas week for the children of members and guests. Some 34 children were thrilled to see Santa crawling through the chimney with a full bag of gifts for all.

The Rendez-Vous Club held a pre-Christmas afternoon card party in their new premises with some 36 members present. Cards were enjoyed by the majority, while others enjoyed visiting with old friends. A festive lunch was served and prize winners were: Clarice Beaupre won the grand prize donated by Mayor and Mrs. Arthur Stapleton, a set of champagne glasses. Clarence Steffes won the door prize.

A \$100 cheque was presented to the club by the Lions. The executive members

of the Senior Rendez-vous Club wish to acknowledge and thank all organizations and individuals who donated to help furnish the Clubhouse, now being remodelled.

Senior Citizens celebrating birthdays in January are: Adeline Brochu, Jan. 2; Adalbert Boissonault, Jan. 3; Madame Christiana Froment and Mr. Erwin Hunkling, Jan. 4; Joseph Nolte and Gerry Pelletier, Jan. 11; Hector Boissonault and Edward Leburg, Jan. 21; Charlotte Rlopel, Jan. 22; Tim Caouette, Jan. 24; Gerard Rousseau, Jan. 25; Valde Trotter, Jan. 28; Joseph Schafers, Jan. 30.

Congratulations to Mr. Jean-Baptiste Dupuis and his bride, Ivy, who were married in a private ceremony Dec. 16. Also to Mr. Leonel Sale and his bride, married Christmas week. Mr. and Mrs. Sale will reside in Stettler, where Mr. Sale is in charge of the furniture department at Macleods.

Mr. and Mrs. Gustave Meunier were travelling guests of Massey-Ferguson prior to Christmas, when they, along with other company distributors across Canada, visited Disneyland in Florida and attended two day convention during their week's stay. They also visited several localities on the eastern coast, after flying away from 19 below weather to 89 above in one day from Edmonton to Florida.

Mr. and Mrs. Garnet Wiley motored to Winnipeg to spend Christmas with Mr. Wiley's parents.

Congratulations to the winners of the Home Decorating contest, sponsored by the Board of Trade. First prize money went to Mr. and Mrs. Vincent Curtis. Second prize was awarded to Mr. and Mrs. Ron De Tennancourt and third prize was won by Mr. and Mrs. Clar-

ence Steffes. Honorable mention was given to the Cam Dubord home. Many more deserving homeowners are to be congratulated for their colorful displays which brightened up Morinville during the Yuletide Season. Camille Gregoire was in charge of the committee, and the judges were Paulette McDonald, and Karen Weston.

Prior to their departure from Morinville, Mr. and Mrs. Maurice Sauvageau, local Beaver Lumber manager, who has been transferred to Claresholm were guests at a surprise party held in their home. After a most enjoyable evening the farewells were said and the couple were presented with a beautiful wall clock as a memento from their stay in Morinville, along with the good wishes of all present.

Mr. and Mrs. Ed Natress formerly from Camrose are now occupying the new Beaver home and the community is happy to welcome the young couple to Morinville.

It is with regret that it was learned that the assistant manager of Beaver Lumber, Marcel Gervais, has been transferred to Provost. Good luck Marcel, we will all miss you.

The Royal Bank staff hosted a party for the business men and guests from the MD, Town Hall and Thibault School Board.

Melvina Sabourin has retired to Youville Home in St. Albert.

Mr. and Mrs. Dave Kryskow and Pamela arrived unannounced from Dallas, Texas to spend a white Christmas with the folks at home.

Dale Vranas underwent surgery to correct a broken shoulder blade, in time to spend Christmas at home with his family.

Victor Tourangeau was a recent patient in University Hospital.

Winners of the Georges P. Vanier Grey Cup Pool are as follows: 1st, 2nd and 3rd quarter - Jim Behiels, Final score - Gary Smith of Edmonton.

NAMAO NEWS

By Norma Crozier
EDWARD VINES HUDSON PASSES

On December 24 Mr. Edward Vines Hudson passed away at the age of 78 years after a lengthy illness. He leaves to mourn his loss his loving wife Kit, one daughter Mrs. J. (Esther) Burke, Edmonton, one sister Mrs. Esther Branch, Oakdale, California, and three grandchildren. He was predeceased by a son, Jim in 1952.

Mrs. Hudson was a long time resident of the Namao-Turnip Lake district after moving there from Vermilion with his family in 1941. He was very active in community affairs, serving as trustee on the Sturgeon School Board, a director of Commercial Feeders Co-op and on the board of directors of the Farmers Mutual Telephone Company.

Mr. Hudson was well known in the district and will be sadly missed by his relatives and many friends. The funeral service was held at St. Faith's Anglican Church with Reverend T. Elliott officiating, followed by Cremation in the Chapel of Chimes Crematorium.

January meeting of Namao UCW will be held at the home of Mrs. Alma Paul on Wednesday, January 17, at 1:30 p.m. A cordial invitation is extended to ladies of the district to attend.

Namao Mothers-Take-A-Break group will be starting on January 9 in the Elementary School. A public health speaker will be present and a film will be shown entitled "How Come I Am." On Jan. 16 instructions will be given on Simple Weaving. On Jan. 23 Mrs. W. Manfield will speak on The Worth Commission. Everybody welcome.

Mr. and Mrs. Jack McLay spent Christmas in Calgary with son Bob and his family.

The next meeting of the United Church Ladies' Aid will be held at the home of Mrs. G. Schindler on Wednesday, Jan. 10 at 8 p.m. All new ladies are welcomed and invited to attend. If you have any questions regarding the United Church services which are held every week at the Recreation Centre please call Jean Robinson at 256-3153.

Get well wishes of the district go to Mrs. Alice Kreller who is a patient in Royal Alexandra Hospital. We wish her a speedy recovery.

Lee Crozier, son of Mr. and Mrs. Hugh Crozier has gone to Penitence, B.C., to play defence for the Penitence Bronco's hockey team, the same team his brother Les has been playing for. Les has returned after four days home for Christmas.

Get well wishes go to Mrs. Percy Stubbs who is a patient in Sturgeon General Hospital. We hope she will soon be well again.

Namao School and Community League's New Year's Eve dance proved once again to be a gala evening enjoyed by everyone present. It was also a birthday celebration for Mrs. Ken Stanton. The executive wishes to thank all those who helped in any way make the evening such a success.

Mr. and Mrs. Don Cameron have her sister, Margaret and family visiting from Calgary over the holidays.

Door prizes were awarded on New Year's Eve to Mr. and Mrs. Gary Owen, Mr. and Mrs. Jim Wallace and Mr. and Mrs. Mel Rooks.

Namao Buttons & Bows

The Namao Buttons and Bows held their second regular meeting on November 28 at Namao.

Cards of thanks were received from the UCW and from organizers of the Blood Donor Clinic. Project books and the year's outline were distributed to leaders and members.

A discussion was held concerning the amalgamation of Bon Accord, Gibbons and Namao Clothing Clubs for Achievement Day. No conclusion was reached pending further investigation.

The Christmas party went off very well. Games organized by Barb Aherman were played all afternoon. Carols were sung and there was a visit from Santa Claus who distributed gifts. A delicious luncheon of spaghetti and meatballs was served. The afternoon at Sunnyside Hall was really an enjoyable one.

Calahoo People Enjoy Trip To Castor

By Liz McLeod

What a thrilling experience to be shown through the corrals at the Spruce Village Ranch owned by Camiel Doolaege at Castor, Alta. Mr. and Mrs. Louis Verlinde, Mr. and Mrs. P. McLeod and Mr. and Mrs. Marcel Kerckhof spent a grand day visiting while motoring to Castor, where they stopped for dinner, before going out to the ranch. The owner took his visitors on a tour, showing them all the Charolais cattle. When the ladies got chilly they went into the house, where 16 year old Lucy, just home from hospital, welcomed them.

After lunch it was off for home, they stopped in Lacombe where to their surprise they met Camiel and another daughter Annie, who were enroute to Edmonton to visit Mrs. Doolaege in

hospital. Then they went on to visit friends at Rimbey. George and Georgina Trenson and children were really surprised at the unannounced visit.

Castor has about the same amount of snow as here but Rimbey certainly had a lot more. It is evident that harvest wasn't completed near Castor, some swaths and lots of fields of bales still out. Some farmers were

By Liz McLeod

A very worthwhile course was held at Calahoo to learn how to become a Defensive Driver.

This Defensive Driving course in which the Sports Association provided the Gazebo, coupled with the Recreation Board and Laurent Coulombe's help in providing the project for the films and helping financially took place on Nov. 23 and 30, Dec. 5 and 7 in two hour

Golden Age Club

By Liz McLeod

The Calahoo Golden Age

Club met December 13 in the Gazebo from one to four With the weather co-operating, 20 neighbors and friends got together to visit play cards and bingo. Those winning were Carol and Lena Bergstrelser, Mr. and Mrs. John Doreze, Ferdinand and Elsa Lischewski, Dina Gropp, Mrs. Fred Labonte, Laura Boddez, Cecile Berry and Werner Christen.

In the short business session it was decided to retain the title, Golden Age Club and folks 40 and over may join.

The next meeting will be held on January 10 if temperature isn't more than 10 below. Visitors are always welcome.

stacking bales on the 15th. The day was chilly but calm.

Mrs. Doolaege and Mary Kerckhof went for a stroll on the 20th to Pete's place and it was most unfortunate there was no one at home. Pretty good for the lady who just a week previous, underwent major surgery.

May I take this opportunity to wish one and all a Happy, Healthy Prosperous New Year.

Senior Citizens Active In Gibbons

On Thursday, Dec. 14 the Senior Citizens Club of Gibbons held a very nice and entertaining afternoon with 46 people present. A few

games of whist were played while waiting for everyone to arrive. Then 10 games of bingo were played which everyone enjoyed very much. A short meeting was held.

The Club wishes to thank all those who donated toys for the crippled children, also many thanks to the ladies who dressed dolls. The toys were delivered to the Charles Campsall Hospital and were gratefully received. In return the Club was invited to visit the hospital between Christmas and New Years.

Mr. Oliver, Mr. Retherbridge and Mr. Lamoureux were chosen to be the next entertainment committee. After the meeting "Happy Birthday" was sung for those who have birthdays in December. A group of boys and girls trained by Kay Boettger, sang some carols and Christmas songs which was enjoyed very much by everyone.

A delicious lunch was served, including a lovely birthday cake, donated by Mr. Oliver. After lunch gifts were exchanged. The next meeting will be on January 11th, 1973. Lets see another big turn out. It's more fun.

District Priest Dies

By Rose Marlet

The Parish and district of Vimy were greatly saddened on December 17 by the death of their pastor, Rev. Andre Marcel Desjardins, 46, who died after a very short illness. He had been resident pastor of Vimy and also served the Parish of Picardville. Funeral services were held in Vimy on Dec. 20, with Most Rev. Raymond Roy, Bishop of the Diocese of St. Paul conducting consecrated Requiem Mass with other members of the clergy from the district. Interment followed in the family plot in Legal. An evening prayer service was held December 19 in Picardville. He is survived

by his mother, Mrs. Almede Desjardins, Legal; four brothers, Paul, Philippe, Armand and Aurelie, all of Edmonton; two sisters, Mrs. Yvette Gaboury, Prince George, B.C. and Mrs. Marie Gaboury of Edmonton.

A government tax expert received a call from a woman who asked, "how much tax is due on \$75,000 income?" About \$41,180, not counting deductions, she was told. "Well, what about \$150,000?" she asked. The bill jumped to \$101,980. "Thanks for your help," said the caller. "I'm just deciding whether to buy one or two tickets on the Irish Sweepstakes."

CARD OF THANKS

On behalf of our dear mother and other members of the Stelte Family, we wish to express our heartfelt and sincere thanks, to one and all for their kind expressions of sympathy, gifts of flowers and spiritual donations of masses offered, in memory of our beloved father, Ferdinand Stelte, who left us so suddenly, recently. The many acts of kindness by neighbors and friends are deeply appreciated.

Special thanks to the Morinville RCMP detachment, who were so considerate and kind with their help on the sudden death of our husband and father. Also to Dr. L. Klein, Rev. Father G. H. Primeau, the Church choir and organist.

THE FERD STELTE FAMILY,
MORINVILLE AND EDMONTON.

Calahoo Citizens Enjoy Driving Course

accidents.

Those who attended and received their card were: Henry and Joyce Bergstrelser, Terry Toms, Wayne Brenneis, Cherylne and Dwayne Brown, Edmo and Edward Paquette, Wendall and Kathleen Ford of Onoway, Levi Stahl and Dennis Wietzel also of Onoway, Roy, Alice and Marlene Schermund, Phyllis Ithwellier, Rudy Christen, Marcel, Theresa and Louis Kerckhof Grant and Lucille Moellman, Lucille Labonte, Martha Schifers, Pete and Liz McLeod, Fred and Betty Kaup (finished this course

at Calahoo) and Vance and Cecile Berry who came twice so didn't finish.

Many thanks go to Jim Kyle, Henry Bergstrelser who organized and got on the phone to inform the people. To Laurent Coulombe for all his co-operation and kindness, to Henry and Joyce who took care of the lunch and to the Calahoo Sports Association for the use of the Gazebo. It costs to heat and light a building and the bills must be paid. All in all it took each and everyone present who worked together so willingly to make this DDC such a success.

New Ag. Society Backs Multi-Purpose Facilities

The Sturgeon River Recreation Centre group held a public meeting at Gibbons Monday, Dec. 11 and was enthusiastically received by a capacity crowd.

Everyone agreed that facilities are needed in order to promote recreational and agricultural functions of interest in the municipal district. There were many questions asked regarding the multi-purpose uses of these facilities.

Following discussion of the versatile facilities of the proposed centre, the Sturgeon River Agricultural Society was formed with an enthusiastic enrollment of 119 members. Those interested in joining this Agricultural Society may call J. Zahar, 298-2232; Clayton Crozier, 759-3248 or Clarence Minchau 543-3081.

The executive members of the new society are: E. Toane, president; J. Kampjes, 1st vice-president; K. Everett, 2nd vice-president; Joyce Poislid, secretary and Norman Epp, treasurer. Directors are: Don Bevington, W. Carlton, R. Creswell, Clayton Crozier, Leonard Crozier, Reg. Crozier, Robert Evans, Clarence Minchau, Darwin Serenik and Jim Zahar.

The Society is seeking

the co-operation of the Municipal District of Sturgeon so that the Society's application for the \$50,000 grant may be made. The grant will be the Agricultural Society's contribution to the centre and represents about 25 per cent of the total cost of the proposed facilities.

The Board of Directors invite inquiries and suggestions from interested people and groups. Please address all correspondence to the Sturgeon River Agricultural Society, Box 72, Gibbons, Alberta.

Municipal District of Sturgeon No. 90

PREPARATION OF ASSESSMENT ROLL

Notice is hereby given that the assessment roll of the said Municipality, made under the provisions of the Municipal Taxation Act, has been prepared and will, for thirty (30) days, be open to inspection at the office of the Secretary Treasurer of the Municipality during business hours and that any person who desires to object to the entry of his name or that of any other person upon the said roll or to the assessed value placed upon any property must, within thirty (30) days from date of this notice, lodge his complaint(s) in writing with the Secretary Treasurer of the Municipality. Dated this 27th day of December 1972.

Alphonse Nobert,
Secretary Treasurer
Morinville, Alberta.
